This Application for Rental Housing Financing (this "Application") is provided by the Indiana Housing and Community Development Authority (sometimes referred to herein as "IHCD" or the "Authority"), pursuant to Section 42 of the Internal Revenue Code and rules and regulations promulgated thereunder, as amended (the "Code"), and the current Qualified Allocation Plan, as adopted by the Authority and duly approved by the Governor of the State of Indiana (the "Allocation Plan"). BEFORE COMPLETING THIS APPLICATION, YOU SHOULD REVIEW THE ALLOCATION PLAN TO DETERMINE WHETHER YOUR PROPOSED DEVELOPMENT MEETS THE THRESHOLD CRITERIA REQUIRED BY THE AUTHORITY, AS SET FORTH IN THE ALLOCATION PLAN. Applications which fail to meet the minimum criteria will not be eligible for funding.

**APPLICATION PACKAGE SUBMISSION GUIDELINES**

- 1 No Application will be considered without the Applicant's submission of a brief narrative summary (limit 3 pages) describing the need for the Development within the community and the Development itself. This narrative should give an accurate depiction of how this development will benefit the particular community. Generally, the summary should include the following points:

Area's needs that the Development will help most  
Community support and/or opposition for the Development  
The constituency served by the Development

File folders should then be inserted in a 14 3/4"x 9 1/2" red file pocket with 5 1/4" expansion. See Schedule H.

**Arbors at Belleville Park III**  
**South Bend, IN**  
**Management Fee Narrative**

Arbors at Belleville Park III will consist of 40 units which IHCD's Underwriting Guidelines for projects of 1 to 50 units suggests a 7% Management Fee. For many years Sterling Management Ltd. Inc. has utilized a 5% Management Fee in the underwriting of over 6,000 units of tax credit affordable housing developments throughout the Midwest; Arbors at Belleville Park Phase I & II, Arbors at Walnut Creek, Arbors at Ironwood Phases I & II, Hunter's Run, Copper Gate, Cimarron Place, Deer Creek Phases I & II, and Arbors at Riverbend to name a few. Also, this 5% fee is generally a maximum amount that is mandated within our many partnership agreements by our Limited Partners, such as SunAmerica, Wachovia Securities, Boston Capital, etc. Most importantly, Sterling Management Ltd. Inc. is contributing to the success of the project by not placing an additional burden on the operating costs by not exceeding the 5% fee, which at a 7% rate would negatively impact cash flow and the ongoing operating budget.

**Arbors at Belleville Park III**  
**South Bend, IN**  
**Operating Expense Narrative**

Please find attached Exhibit A which demonstrates the operating expenses for Arbors at Belleville Park III is in the range of other properties of similar size in Sterling Management's portfolio. The data on the attached Exhibit A was obtained from other Section 42 apartment properties in Sterling's portfolio. Since expenses for water, sewer, taxes and insurance may vary widely among properties, Sterling believes operating comparisons are best made excluding these variables, and therefore the exhibit is prepared in such format. Set forth in Exhibit A, Arbors at Belleville Park III's net operating expenses of \$2,627 are comparable to those of similar properties including actual expenses for Arbors at Belleville Park I which range from \$2,473 - \$2,892.

The insurance cost used in underwriting is \$210/unit and is consistent with the current premiums being paid by all properties in Sterling Management's Portfolio for their annual July renewal. The property taxes used are \$900/unit which is consistent with the current real estate taxes being used by Arbors at Belleville Park Phases I and II. The assessment is currently being appealed due to the methodology used by the Assessor and our real estate tax counsel is comfortable with using \$900/unit as a ceiling.

Furthermore, Vogt Williams and Bowen noted on page III-35 of the market study the proposed Arbors at Belleville Park III projects net operating income to be \$2,191 per units with an average of \$2.04 per rentable square foot. According to the Institute of Real Estate Management (IREM) for the region the property falls in (Region V), the total net operating income should range from \$2.97 to \$5.01. Arbors at Belleville Park III falls below this range, however we believe due to the rent restriction of the Tax Credit program it drives this number below the range.

**Commercial and Office Space:** IHEDA Rental Housing financing resources cannot be used to finance commercial space within a development. Income generated and expenses incurred from this space, though, must be factored into IHEDA's underwriting for the development as a whole when reviewing the application. If the development involves the development of commercial space the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Costs chart.

The legal fees listed on page 45 (g.)(8.) are consistent from our last numerous examples of tax credit closings (Baker & Daniels, Indianapolis), and represent land control documents and closing, construction document review and closing, and other “project-related” related legal fee reviews (easement documents, municipal documents, etc.).

**Operating Reserve Narrative**

We demonstrate the Operating Reserve of \$151,371 (page 45 (k) 2) meeting IHCD's requirement. The QAP states the Operating Reserve should consist of a minimum 4 months of operating expenses plus debt service. Our calculation confirms that 4 months of operating expenses (page 38 (u) \$152,285/annual, \$12,690/month) plus debt service (page 40 (w) 2) \$67,964/annual, \$5,664/month) equals \$73,416, thus, we meet IHCD's minimum requirement.
